Dear Ms Porter

I am a Director of Johnston Withers, Lawyers.

The Chair Person of Connecting Forster Carers SA, Ms Megan Hender, is also a member of our Board.

Our firm has provided advice and acted for foster carers in the past. We consider that your organisation is very important both as a support for foster carers and as an organisation that will promote improved care of children who are required to be fostered in this State.

At our Directors' meeting on 12 July 2017 we agreed to offer special discounts to members of Connecting Foster Carers SA. We would be pleased to offer the following to your members;

1. 30% discount on all Wills, Powers of Attorney, and Advance Care Directives.
2. 10% discount on all conveyancing.
3. A free first half hour interview on any matter.

If any of your members do wish to contact us, would you please advise them to tell our receptionist and the lawyer who they are attending that they are a member of Connecting Foster Carers SA, and that there is a special arrangement in place for your members.

If you have any further questions about this matter please do not hesitate to contact me.

Yours sincerely  
**JOHNSTON WITHERS**
