

Connecting Foster & Kinship Carers SA: 2020 - 2023 strategy on a page

VISION	To ensure the voice of all South Australian Foster & Kinship Carers is represented and their rights upheld, whilst they care for our children & young people'				
MISSION	To ensure Carers are recognised, valued and supported to remain focussed on their families – with the confidence and continued capacity to raise children & young people to recover from trauma, regain their potential and enjoy a positive future				
STRATEGIC THEMES	To ensure our Carers voices are heard & their rights are upheld	To connect our Carers & build a positive community	To provide Carers with first class information and education	To provide Carers the opportunity to discuss issues & receive support	To build a strong, sustainable, progressive organisation serving the Carer community
OUTCOMES	We will continue to provide high quality individual advocacy for the Carer community, in turn informing our lobbying of government bodies and stakeholders to increase Carer rights, ensure fairness and facilitate consistency across the child protection system.	We will actively bring Carers together through a variety of digital and face to face platforms to provide connection, information and education to create a strong Carer community that can rely on their peers for ongoing support.	We aim to be the "one stop shop" for information and resources the South Australian Carer community can confidently rely on to guide and support their caring journey.	We want to see the South Australian Carer community thrive; accessing the best possible support from our organisation and representing their collective voice on issues that matter most.	We are committed to sustaining a vibrant and successful future for our organisation and the Carer community, by accessing secure funding, maintaining an exceptional workforce and a passion for a high quality, responsive service provision.
